**NATIONAL INSTITUTES OF HEALTH
History of Congressional Appropriations, Fiscal Years 2010 - 2019**

Footnotes

- 1/ The National Center for Complementary and Alternative Medicine (NCCAM) was renamed to National Center for Complementary and Integrative Health (NCCIH) in FY 2015 per the Consolidated and Further Continuing Appropriations Act of 2014 (PL 113-235).
- 2/ FY 2012 appropriations reflect the establishment of a new IC, National Center for Advancing Translational Sciences (NCATS), and the concurrent dissolution of NCRH per P.L. 112-74, The Consolidated Appropriations Act, 2012.
- 3/ Funds for human immunodeficiency virus (HIV) research in the amount of \$3,085,597,000 appropriated to the Institutes and Centers (IC). Excludes \$1,000,000 transfer from Department of Health and Human Services (HHS) to administer the Interagency Autism Coordinating Committee (IACC).
Reflects NIH-specific (\$260,000,000) and Government-wide across-the-board (\$61,656,000) rescissions pertaining to appropriation amounts reflected in P.L. 112-10, The DOD & Full-Year Continuing Appropriations Act, 2011.
- 4/ Funds for HIV research in the amount of \$3,081,870,000 appropriated to the ICs. Excludes \$998,000 transfer from HHS to administer the IACC.
Funds for HIV research in the amount of \$3,0749,210,000 appropriated to the ICs. Amounts based on conference report revised after Labor/HHS bill reduction. Congressional appropriations reflect the establishment of a new IC,
- 5/ National Center for Advancing Translational Sciences (NCATS), and the concurrent dissolution of NCRH as described in P.L. 112-74, The Consolidated Appropriations Act, 2012.
- 6/ Funds reflect levels provided under the Budget Control Act of 2011 (PL 112-25). Funding levels also include across-the-board rescission - Section 3004, and the Secretary's Transfer of \$172.561 million for Affordable Care Act (ACA) of 2010 authorized by PL 111-148.
- 7/ Funds reflect enacted levels as provided under the Consolidated and Continuing Appropriations Act of 2014 (P.L. 113-76).
- 8/ Funds reflect enacted levels as provided under the Consolidated and Further Continuing Appropriations Act of 2015 (P.L. 113-235).
- 9/ Funds reflect enacted levels as provided under the Consolidated Appropriations Act of 2016 (P.L. 114-113).
- 10/ Discretionary resources of approximately \$34.1 billion were received under the Consolidated Appropriations Act, 2017 (Public Law 115-31) as well as \$824.443 million derived from PHS Evaluation financing identified in the NIGMS allocation. Mandatory funding for the Special type 1 diabetes account included in the NIDDK allocation was reduced from the FY 2016 level of \$150 million to \$139.65 million due to sequestration. The Office of the Director (OD) also received \$12.6 million from P.L. 115-31 for the OD Common Fund from the 10-year Pediatric Research Initiative Fund described in section 9008 of title 26, United States Code.
- 11/ Discretionary resources of nearly \$36.24 billion received under the Consolidated Appropriations Act, 2018 (P.L. 115-141) as well as \$922.871 million derived from PHS Evaluation financing associated with the NIGMS allocation. Mandatory funding for the Special type 1 diabetes account included in the NIDDK allocation of \$150 million was authorized by the Bipartisan Budget Act of 2018 (P.L. 115-123).
- 12/ The 21st Century Cures Act, 2016 (P.L. 114-255) authorized \$4.8 billion to NIH over a 10 year period, with initial allocations in FY 2017. A total of \$352 million was appropriated for FY 2017; \$300 million for NCI, and \$52 million for OD. For FY 2018, a total of \$496 million was appropriated; \$300 million for NCI, \$43 million for each of NINDS and NIMH, and \$110 million for OD. For FY 2019, a total of \$711 million was appropriated; \$400 million for NCI, \$57.5 million for each of NINDS and NIMH, and \$196 million for OD.
- 13/ Discretionary resources of nearly \$37.94 billion received under the Department of Defense and Labor, Health and Human Services, and Education Appropriations Act, 2019. Continuing Appropriations Act, 2019 (P.L. 115-245), and the Consolidated Appropriations Act, 2019 (P.L. 116-6). NIGMS allocation includes \$1,147 million derived from PHS Evaluation financing. Mandatory funding for the Special type 1 diabetes account is included in the NIDDK allocation of \$150 million as authorized by the Bipartisan Budget Act of 2018 (P.L. 115-123).

Notes: a/ Labor/HHS indicates that justification of budget resources and origination of legislation are under jurisdiction of Labor-Health and Human Service Appropriations Subcommittee.
b/ Interior indicates that justification of budget resources and origination of legislation are under jurisdiction of Interior, Environment, and Related Agencies Appropriations Subcommittee.
c/ As of FY 2012, NIH no longer receives appropriations for NIAID identifying resources for the Global Fund; responsibility transferred to another federal agency.
